FISCAL NOTE ANALYSIS

STATE OF ALASKA
2022 LEGISLATIVE SESSION**Analysis**

This legislation statutorily prohibits discrimination based on sexual orientation and gender identity or expression under Alaska human rights law enforced by the Alaska State Commission for Human Rights (Commission). Based upon legal guidance, the Commission began interpreting “sex” under Alaska law to encompass sexual orientation and gender identity or expression after the Supreme Court’s decision in *Bostock v. Clayton County*, 140 S. Ct. 1731 (2020), so there is no fiscal impact to the Commission from this legislation.
